

### Product Specifications

## HypaPlast Pink Washproof Plasters, Assorted (Pack of 100)

- Washproof plasters at a great price
- High quality hypoallergenic plasters
- Individually wrapped and sterile
- Washproof
- Available in different sizes

Assorted Pink Washproof Plasters include five different plaster sizes to provide dressings for a wide range of possible injuries. HypaPlast Pink Washproof Plasters are a cost effective option but do not compromise on quality as a result. With good adhesion to skin, as well as being washproof, individually wrapped and sterile; HypaPlast Washproof Plasters are an essential item for first aid kit. They are vital for the treatment of wounds, cuts and other minor injuries that do not require a full dressing. HypaPlast Washproof Plasters are available in assorted packs as well as packs of specific shapes or sizes.
