- 50% less plastic compared to plastic bottles of the same size
- Plastic and cardboard can be separated
- Both plastic and cardboard can be recycled

Persil Professional Non Bio Liquigel

Use instructions

Dosage: For best results, use the dosing ball and place it upright on top of the wash load, towards the back of the drum. Do not use the dosing ball in a pre-wash programme. Do not put the dosing ball into tumble dryers, or the drying cycle of washer/dryers. Do not overload your washing machine.

Application

Soft/medium water:

Light Soil - 50ml

Medium Soil - 75ml

Heavy Soil - 125ml

Hard water:

Light Soil - 75ml

Medium Soil - 100ml

Heavy Soil - 150ml

6/8kg - add 20ml more
