

Luxury Antibac Hand Soap

Product Description

A luxury hand and body wash utilising naturally derived ingredients and eco-friendly surfactants with a fresh, natural and uplifting fragrance

Core Benefits

- 2 in 1 product - useable as a luxury hand and body wash
- Uses naturally derived ingredients
- Contains moisture-binding emollients - leaves the skin and body feeling hydrated and supple:
 - featuring glycerine for hydration and regeneration
 - soothing Aloe Vera extract
- Antibacterial action which preserves the skin's natural balance
- Mild blend of surfactants - create a lather for enriched cleansing; ideal for frequent or daily use
- Naturally rich and moisturising with a delicious fresh berry fragrance
- Suitable for all industries where a luxury feel hand wash is required
- Concentrated formulation - economical in use.
- Reduces CO2e by up to 85%

How does it work?

The blend of mild cleaning agents in BioHygiene Luxury Antibac Hand Soap form a rich and creamy lather that gently cleanses and moisturises hands, leaving them feeling healthy, supple, soft and protected.

Directions for use

Wet hands, apply one dose, rub ensuring good coverage then rinse and dry

Product specification

Plant extracts, emollients and eco-friendly surfactants

Environmental

- Local UK Production and supply chain reduces CO2e impact from transport
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation, microbes and manufacturing by-products reducing CO2e and environmental toxicity.
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution.
- Concentrated to reduce plastic, transport and storage costs and environmental impact.
- Readily biodegradable (99% over <28 days).
- 0% manufacturing waste.
- Not tested on animals.
- Excludes all 'watch list' raw materials.

Safety & Storage

- Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Only for professional users/specialists.
- Store in original closed containers away from extremes of temperature.
